

From the WLO Annual Meeting on
May 16, 2021
Posted 5/29/2021

In an effort to clean up and organize the Cordley Lake boat storage area all boats are required to display a current WLO boat sticker. All boats and anchorage poles must be removed annually, unless revised by the Board, from the water and land in the storage area by November 30.

Motion passed.

Boat stickers are \$20 and may be purchased from Hans Frazier, the Director of the Boat, Harbor, Lake and Canal Committee. Boats not removed by Nov 30 will be considered abandoned and disposed of by WLO.
